De précieux conseils pour l'auteur indépendant novice
Par Charles Ashbacher
À bien des égards, la réponse à la question, "Comment puis-je vendre beaucoup de livres sur ?" Comme est la vieille réponse blague à la question «Comment puis-je obtenir à Carnegie Hall?" La réponse à cette dernière est «Pratique , pratique, pratique "et la réponse à la première est" Ecrire un grand livre! " Il est une réalité que l'auteur mentionne à peine et ce est de vendre beaucoup de livres vous devez avoir créé quelque chose les gens veulent acheter. Absent Ce, même La campagne de publicité la plus experte exécuter vous ne obtiendrez pas les objectifs que vous avez fixés. Cela dit, nous allons continuer sur l'hypothèse que vous 'ne en fait avoir un livre de qualité disponible. Si ce est le cas, alors une importante Fournir ce livre aidera. Ce est en fait ce que l'auteur a fait. L'auteur indie novice sait très peu sur la façon de faire les choses, les compétences qui vous permettent de créer un bon livre sont de peu d'aide à naviguer dans votre façon-par les voies globales du labyrinthe . Rien de ce que vous pouvez faire, ce est vraiment tout ce qui dure, rend la plupart des opérations d'auteur assez facile, même pour les novices. Cependant, faire des choses comme la bonne sélection de mots clés, l'ajout d'un auteur est respectable et prise de contact avec examinateurs qualité qui est plus un art ce est un algorithme. Je suis une bande dessinée excentrique de haut rang deux de l'examineur ainsi que un auteur indépendant et la plus grande partie de mon éducation a été «sur le tas» plutôt que de la consultation avec une personne expérimentée. Si vous êtes un auteur indépendant, vous trouverez ce livre très utile. Il n'y avait rien de nouveau pour moi, mais si je avais lu ce livre il ya quelque temps, je aurais évité quelques faux pas importants que je suis entré dans le monde d'être un auteur indépendant. Générer de la publicité est dur et ce livre vous aidera.Ce livre a été mis à disposition gratuitement aux fins d'examen.
