que du bonheur !
Par Simon Patricia
Très beau livre d'inspiration country, avec des quilts en appliqué et des broderies naïves, mettant en scène des chiens et des chats. On pense à véronique requenna , dont on aime tout autant les réalisations. Seul petit bémol, la plupart des gabarits ne sont pas en grandeur réelle; encore un très beau livre destiné à garnir les étagères des quilteuses amoureuses du folk art!

C'est un beau livre pour les amoureuses des chats et des chiens. Il propose des modèles

naïfs mais charmants. Malheureusement, il faut recalculer et refaire les gabarits qui ne sont pas en grandeur réelle, donc il faut être motivée pour réaliser les objets! Cela reste un bel ouvrage inspirant
